After arriving home with your fully prepared meal from Cinotti's Bakery, promptly store it in the refrigerator until ready to eat. Then, follow these instructions:

Turkey: Preheat oven to 325. Remove plastic wrap and leave the turkey wrapped in foil. Place the whole turkey (wrapped in foil) on a cookie sheet or broiling pan (it will drip). Heat in oven for approximately 1 1/2 hours or until hot. Remove the foil, carve and enjoy.

Side Orders: To reheat the side dishes, preheat oven to 325. Please remove the top of the container and cover with foil if desired. Reheat side dishes for 30 minutes or until internal temp reaches 185 degrees.

Rolls: Pre-heat oven to 300. Remove the rolls from the package, cover with foil, and heat in the oven 10-15 minutes or until hot.

We are so thankful you chose to spend your holidays with us. Please have a safe holiday season, enjoy the family and friends you are around. And may God bless us all.
