Dinner Storage & Reheating Tips

After arriving home with your fully prepared meal from Cinotti's Bakery, promptly store it in the refrigerator until ready to eat. Then, follow these instructions:

Turkey: Preheat oven to 325. Remove turkey from box . Place the whole turkey (In foil pan provided) on a cookie sheet or broiling pan. Heat in oven for approximately 1 1/2 hours or until hot. Remove the foil, carve and enjoy.

Side Orders: To reheat the side dishes, preheat oven to 325. Please remove the top of the container and cover with foil if desired. Reheat side dishes for 30 minutes or until internal temp reaches 185 degrees.

Rolls: Pre-heat oven to 300. Remove the rolls from the package, cover with foil, and heat in the oven 10-15 minutes or until hot.

Pie Storage & Reheating Tips

Upon receiving your freshly baked Cinotti's Pie, you can either store in the freezer or refrigerator until you are ready to serve.

In the freezer the pie will retain its quality for at least one year. Your Cinotti's Pie can be thawed over night in the refrigerator.

Thawed pies will stay fresh in the refrigerator for up to one week.

leftovers must be kept refrigerated.

Cinotti's Bakery's tips on serving pies:

- Preheat oven to 300 degrees.
- Remove pie from box and place it on a flat baking sheet
- Heat for 30 minutes to 1 hour or until heated through.
- Slice and serve with your favorite ice cream
