

Cinotti's Bakery Community Outreach Request Form

We care about our community. Whether it's donating food to shelters or farmers or helping spread joy through cookies, we try to do all we can with what God has blessed us with. If your organization is a nonprofit 501(c)3, accredited school or eligible public agency, you may request a Cinotti's Bakery donation.

To be considered, please fill out this form completely and bring it to our Jacksonville Beach location. You will need to provide a Government Affirmation letter or other IRS-provided letter for verification of your nonprofit organization or public agency (i.e., public school, public library) status. If your foundation is approved for a donation, it will be available January through September as funding permits.

Cinotti's Bakery does not donate, or discount Iced Cutout Cookies.
